Old Business:

- Jim's Roast Beef dinner – Excellent dinner, music was great. A discussion was held as to whether we should be paying for the band. All agreed that the music was enjoyed by everyone in attendance and should we help out with the cost next year? The Sunshine club wishes to thank Jim and Margaret for providing the live music for the evening.
- Woodfire oven demo and pizza lunch - Paul and Dale will be away for the winter so did a demonstration for those who will be using the oven over the next six months. It was very helpful. Thanks to all participants.
- Thanksgiving dinner – all reports were that the dinner was great. Thanks must go to Donna and John, Lela and Jeff, Vicki. Lela apologized for including a 50/50 draw at the dinner. She did not realize Thanksgiving is an occasion that we do not do 50/50. The other two occasions are Christmas and Easter.
- Men's breakfast – a huge thank you to Joe and his crew for many men's breakfasts. Whether this event continues remains to be seen.
- Bathroom floor – thank to Albert and his crew for the wonderful job. It looks great. Albert did mention that the floor needs a special cleaner and it

was suggested that we put up a sign in the bathroom with that information. Vicki will look after the sign.

New Business:

- Bathroom signs – signs will be corrected regarding the requirement of a donation for using the facilities. It will now read that a donation would be appreciated Vicki will make up new signs. Thank you Vicki.
- Buy Low reward card – Vicki has signed the Sunshine club up for a points card. Anyone making purchases at the store on behalf of the club should pick up this card located in the kitchen drawer under the calendar.
- Bottle recycling – Rolland and Evelyn will be looking after the collection of these over the winter. Thanks to Don Root for doing the summer shift.
- Lis wants it noted that the garden shed near the compost boxes is not to be used for junk. A note will be put on the shed door about this.
- Library and white board – Terry will be away for the winter so Chrissie has agreed to keep the library neat and Peggy will once again be in charge of the white board. Thanks Terry.
- White board condition – Terry reported that she felt the white boards need to be replaced. They are old and are very difficult to clean. The Sunshine club decided to ask the Board if they would buy new ones. Vicki will look after this. If the Board does not agree, the club agreed they will buy them.
