Margaret shared that we had a deposit of \$100 from Recyclables and a debit of \$43.60 for Coffee supplies. Current balance is 1044.80.

NEW BUSINESS

We as a Club decided to support Steele's Bistro as they have been supplying food for our FireFighters in the area. Marie and Candice will put up a Facebook post and on Sunkatcher's Website about accepting monetary donations. We also encourage you to partake of a meal at Steele's Bistro!
