#### **Treasurer's Report:**

- The balance in the cash account as of September 22, is \$55.00. A discussion was held and a decision was made to withdraw the \$800 from the Sunkatcher's RV account to go back into Sunshine Club funds.

#### **Old Business:**

- Pergola/Oven: It was decided that the concrete bases are high enough to protect the posts from any damage from the weed-eater; there was a discussion about what to do with the ground under the pergola, no decision was made however, it would be nice to have pavers placed when funding is available.
- Bread fundraiser Lela & Vicki are making bread for sale as a fundraiser for the Pergola project. To date they have raised \$63.50 which will be used as a float for further purchases of supplies. Going forward all supplies will be paid for from this fund.
- New Toasters – Barb purchased 2 Quisinart toasters for the clubhouse.
- GM food – Everyone was very pleased with the snack of bunwiches and sweets and yes, we should definitely do this for the AGM.
- Labor Day Parade – only two entries, but they had fun. There were a few participants in the horseshoe tournament, followed by hot dogs at the fire pit.
- Bocce Ball/Taco in a Bag – Cancelled due to rain.
- Sunday Brunch – Went very well, all really appreciated the later hour. 28 people attended.

- Jim's Roast Beef dinner – Excellent dinner, music was great. A discussion was held as to whether we should be paying for the band. No decision was made.
