Old Business:

- ***Outdoor Tent/Cover & Chairs*** - Joan did a price cost for 10' x 20' cover tent which was \$140.00. The club has decided to put the tent and chairs on hold for the time being and will review at a later date.
- ***Stove in Kitchen*** – The club has decided to purchase a new stove for the kitchen from the Sunshine's funds. Guy and other members will be checking for sales and will purchase when they find one suitable for the club's needs.

New Business:

- ***Food in Kitchen*** – It was brought to our attention that some products purchased for a meal/function at the clubhouse was opened and used by member/members before the function. When it came time to use the product for a dinner, the hosts were short for their recipe. **We are asking members to please not take any food/product that has been purchased for a specific meal that the Sunshine Club is putting on.** Should you need something that is a standard item in our fridges for example: ketchup, mustard,

salad dressing etc it is fine to take some, then please replace it. This is not the first time that this has happened to some of our hosts and it can be very frustrating.

- **Recycle Bottles** – Don Root will be taking over the Recycling of the park's bottles. We like to **thank** Jim Boa for all his hard work doing the recycling and welcome Don. **Thank you gentlemen!**
 - **Sunshine Club Committee** – We would like to say Thank you to Sharon Phillips for being our Treasurer this winter while Margaret Gus was away.
