

Albert's Recommendations for Washing the Office Bathroom ceramic floor to reduce slip & falls...

1. Use the concentrated cleaning solution labelled "Blue Thunder"
2. The ratio mix is 2 ml per 1 L of warm water
3. Mop floor with mixture
4. Rinse floor with warm water and separate clean mop
5. **Never apply any polish or floor finishing to ceramic surface**

Note: Blue Thunder cleaning solution is concentrated degreaser/
cleaner. Mix as directed. Use accordingly.
