

SUNSHINE CLUB LETTER - November 19, 2022

Good afternoon members,

The Sunshine Club has been in touch with Social Services and inquired if we the "Sunshine Club" could help with local families this year. We had a meeting with Social Services, Friday November 18th at the clubhouse and they have come up with a new program this year that will help **ALL** families and individuals that are in need at this time.

They have given us a list of needed items for 32 families and 16 individuals who need help this year in Keremeos, Cawston, Olala and Hedley. The Sunshine Club is donating \$600.00 towards purchasing some of the needed items. This project would fill our Sunshine Moto obligation which is to ***"raise awareness and funds to support our local community of Keremeos/surrounding area and our Suncatcher's's RV Co-op"*** and this also covers our 50/50 Government Gaming Licence requirement.

We know the cost of food and gifts for the children, has gone up considerably over the past year.

It would be appreciated if anyone wishes to make a **cash donation** or donate a gift card from **Buy Low Foods, Subway, Canco, Fox Gas, Boboys and Walmart** in \$25 or \$50 increments. You may drop off these to our Chair - Jenny Gavelln, Site 115.

Attached is a list of need items given to us. If you wish to donate any of these items, please drop off at the designate area in the Club House by December 4th. Social Services will be picking up on December 5th at 10 am.

Thank you for your support
